COUNTRY”**

## The American Legion

### Mission

The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans.

The American Legion is a nonpartisan, not-for-profit organization with great political influence perpetuated by its grass-roots involvement in the legislation process from local districts to Capitol Hill. Legionnaires' sense of obligation to community, state and nation drives an honest advocacy for veterans in Washington. The Legion stands behind the issues most important to the nation's veteran community, backed by resolutions passed by volunteer leadership.

### Fred Brock Post #828

The American Legion Fred Brock Post #828 has a long and colorful history, which dates back to 1932 when George D. Newton Post #420 Of San Antonio received its Temporary and Permanent Charter. The American Legion #828 was named for Sergeant Fred Brock who was an Army Sergeant killed in the line of duty on August 18, 1943 at Fort Huachuca, and in doing so became the first 92nd Division soldier to die at his "Post of Duty."

The American Legion is one of the most influential nonprofit groups in the United States. Since its founding, membership has grown to over 2.4 million in 14,000 posts worldwide. The posts are organized into 55 departments: one each for the 50 states, along with the District of Columbia, Puerto Rico, France, Mexico and the Philippines.

Together, members of The American Legion, The American Legion Auxiliary and the Sons of The American Legion (SAL) make up what is known as The Legion Family. All three organizations place high importance on preserving our American traditions and values,

improving the quality of life for our nation's children, caring for veterans and their families, and perhaps most importantly, teaching the fundamentals of good citizenship.

### American Legion Auxiliary

Founded in 1919, the American Legion Auxiliary is the world's largest women's patriotic service organization. With a membership of nearly 800,000, local American Legion Auxiliary units have a strong presence in more than 9,000 communities nationwide. The American Legion Auxiliary's mission to serve veterans, the military and their families is carried out through its hundreds of outreach programs delivered by its members, volunteers and national headquarters.

### Sons of The American Legion

The Sons of The American Legion was created in 1932 as an organization within The American Legion. The S.A.L. is made up of boys and men of all ages whose parents or grandparents served in the United States military and became eligible for membership in The American Legion.
